Vacancy on E-Board: Treasurer

We have a vacancy on the Executive Board. Recently elected Treasurer John Behrens has resigned due to health. Matt Woodward is fulfilling Treasurer responsibilities until an election can be held.

Descriptions of the duties of Treasurer are included in our bylaws, found by clicking here.

Summer of Canvass

The State Democratic party has just announced the Summer of Canvass! This program will launch at the end of May, and will, in the words of State Chair Tina Podlodowski,

"engage our PCOs and volunteers in a massive, deep, and listening-based canvass all over the state. We will target much more broadly than we do in election years, and will knock on every door to listen to issues and values, and build relationships that will pay dividends in elections years."

Jefferson County is ahead of most of the state with the data base we already have. This program will allow us to become much better, and with an assist from the State party. More soon, as this program rolls out.

Saturday, May 20th Rhody Parade

We are entry #74 in the parade. This year's festival theme is Enchanted Rhody. Bring rhododendrons to decorate our float, and join us in the parade!

[Click here to read more details on joining us to decorate the float and march along with JCD!](#)
